

§ 29.67

lot or package; and (9) the signature of the official weigher.

(e) *Official sample tag.* Each official sample drawn and prepared shall have attached thereto, a certificate or tag showing (1) the caption "Official Tobacco Sample"; (2) the date of sampling; (3) the location of the tobacco at the time of sampling; (4) the kind of lot or package; (5) the condition of the tobacco; (6) the identification number and private identification marks on the lot; and (7) when a lot is found to be damaged, nested, or in doubtful keeping order, a statement of such fact.

(f) *Combination certificate.* A combination certificate of inspection and weight may be issued under the Act, if such certificate carries the caption "Tobacco Inspection and Weight Certificate" and otherwise meets all of the requirements of paragraphs (b) and (d) of this section.

§ 29.67 Disposition of certificates.

When a certificate of inspection or weight is issued under the Act upon the request of an interested party, the original certificate and one copy shall be delivered or mailed to the applicant or a person designated by him, and one copy shall be mailed or delivered to the Division or local office of inspection. Charges may be made for additional copies furnished the interested party upon request as provided in § 29.128.

§ 29.68 Advance information.

Upon the request of an applicant for whom tobacco has been inspected, sampled, or weighed and certificated under the Act, all or any part of the contents of such certificate may be telegraphed or telephoned to him as his expense. Information relative to grade or other determinations contained or to be contained in a certificate shall not be divulged by an inspector, sampler, or weigher to any person other than an interested party or his agent without the approval of the Director, and such information shall not be furnished an interested party before the certificate is issued.

§ 29.69 Weighing apparatus.

A scale used for determination of weight to be certificated under the Act shall be subject to examination for ac-

curacy according to the regulations of the State or municipality in which located. No disapproved scale shall be used to determine weight of tobacco for the purposes of the Act and the regulations in this subpart.

MANDATORY INSPECTION

§ 29.71 Mandatory inspection.

Mandatory inspection consists of inspecting and certifying tobacco under the Act on designated markets before it is offered for sale at auction.

§ 29.72 Where mandatory inspection is required.

All tobacco offered for sale at auction on a market designated in accordance with the Act and § 29.73 shall be inspected and certificated under the Act upon the date specified by the Secretary in public notice of such designation, and thereafter, except when the requirement of such inspection and certification is temporarily suspended by the Director in accordance with the Act and the regulations in this subpart.

§ 29.73 Designation of markets; termination of designation.

An auction market where tobacco bought or sold thereon at auction or the products customarily manufactured therefrom move in commerce may be designated under the Act by the Secretary after the Director has advised the Secretary that two-thirds of the growers voting in the referendum held in accordance with § 29.74 favored the designation of such market. When a market is designated by the Secretary, he shall give public notice of the fact and in such public notice he shall specify the date on which the requirement of inspection and certification of tobacco sold at auction on such market shall become effective. The Director may temporarily suspend the requirement of inspection and certification on a designated market when it is found impracticable to provide such services because competent inspectors are not obtainable or because the quantity of tobacco available for inspection is insufficient to justify the cost of such service. A designation shall terminate automatically at the
